As it would appear from the information on file and from information obtained over the counter at this office, that there was some understanding between Mr. Morgan and the entrant for the land in question, I instructed a Homestead Inspector to make a careful investigation into the matter and I now enclose herewith affidavits of neighbors in the vicinity of Mr. Sohjoth's land, together with the report of the Homestead Inspector, which would appear to bear out what Mr. Simpson has stated.

As the 60 days allowed the entrant on this quarter within which to file a defence expired on the 22nd instant, I am making no disposition of the land until instructed by Head Office to do so. Mr. Edwards submits a memorandum indicating that there was, no doubt, collusion between one Morgan, an applicant for inspection, and G.W. There are two courses open to us; one, to abandon the proceedings and allow the entry to stand; the other, to deal with the case as one of trafficking. In the latter event I should say that both parties should be punished. [illegible] the latter course [illegible],

the entry should be cancelled, the land posted for ten days, and disposed of under the regulations; both the offenders should be deprived of the privilege of taking up either a pre-emption or a purchased homestead.

MEMORANDUM.

N. W. 32 - 31 - 23 - W. 4th M.
Homestead L. W. Simpson.
Patent issued 18th April, 1911.

You asked for a statement in regard to this case.

The records show that Mr. Simpson applied for patent in the usual manner and his application went through without any hitch or delay.

N. E; 31 - 31 - 23 - W. 4th M.
Pre-emption G. W. Schjoth.
Entry for issued 1st September, 1909.

Cancellation proceedings were instituted on the 23rd June, 1911.

No defence was filed.

From evidence on file it would appear that Mr. Schjoth was performing the settlement duties in accordance with the regulations, but there is said to be good reasons to believe that there was collusion between J. C. H. Bergh, the applicant for inspection, and the pre-emptor.

I submitted this case to the Commissioner on the 20th September, 1911, and he gave instructions that the matter should be held in abeyance until a report was received from a Homestead Inspector. (See memorandum marked).

I quote herunder the Homestead Inspector's report which has recently been received,-

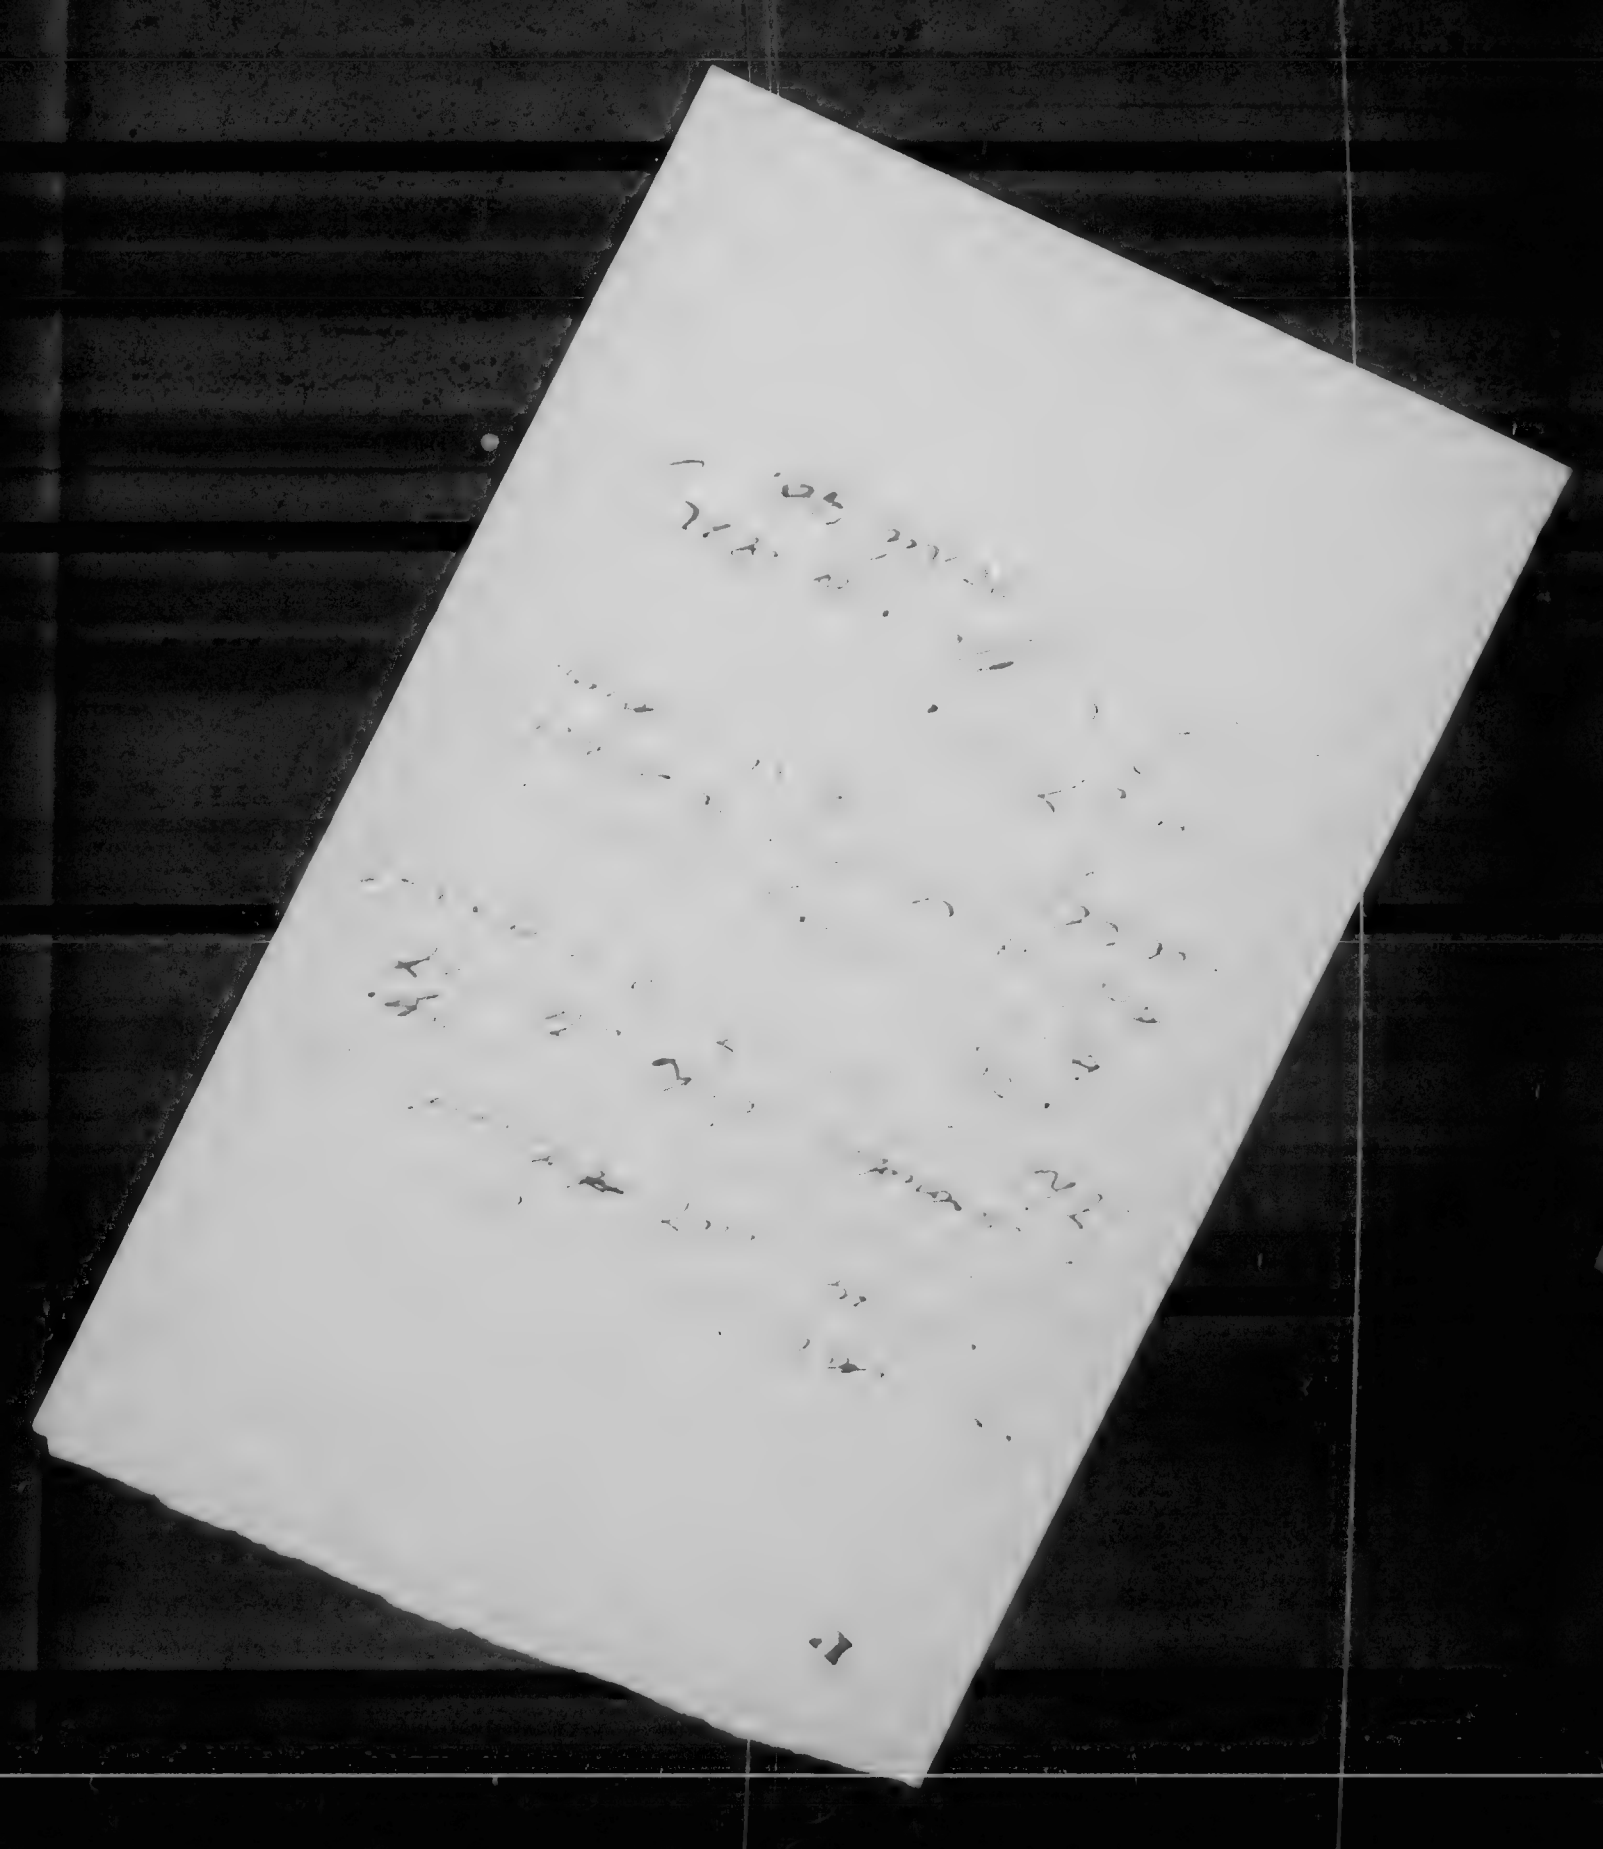

" I visited the N. E. ¼ 31 - 31 - 23 - W. 4th M. pre-emption of Mr. G. W. Schjoth. It appears there has been fraud in connection with the disposal of Mr. Schjoth's homestead. He sold his homestead to a Mr. Clemens that lived

General Remarks Continued:—

I beg to report that I have made an inspection of the twenty-acres of the above land, required by the Three Hills Agricultural Society for exhibition purposes, and I found that the land is worth twenty-five dollars per acre, but as it is adjacent to the town of Three Hills and will serve the best interests of the town and country at an Exhibition it is, I feel that the Society should not be called upon to pay more than three dollars per acre for it. The officers of the Society have represented that they are financial unable to pay full value for it, and if compelled to pay any more would be obliged to let it go altogether. That would be a misfortune to the entire community and I therefore recommend that the land be sold at the rate of three dollars per acre.

30th March, 1914.

I beg to return Ref. [illegible], and to state that Mr. F.M.Simpson obtained pre-emption entry on the 24th January,1913, for the N.E.¼ section 21, t enthip 31, range 23, West 4th meridian, subject to the Three Hills Agricultural Society securing twenty acres for Fair Grounds out of this quarter section. These 20 acres were selected in the North West corner of the said quarter section, as in accordance with the instructions received at they were valued by the Homestead Inspector, the Chief's valuation thereon of $25 an acre. The offer to the Agricultural Society at that rate was authorized and the Secretary-Treasurer of the Society was advised accordingly by letter of the 11th **ultimo**, but the Society failed to pay for the land at that rate..

It was then decided to make a free grant of the 20 acres to the Applicants and the Secretary-Treasurer was so advised by letter of the 5th instant; also that the necessary authority of the Governor in Council to sanction the grant would be obtained. The memorandum to Council has not, however, been prepared.

It does not, therefore, appear that the 20 acres applied for by Mr. Simpson are available.

Dear Sir,

I have your letter of the 7th instant relative to a site of 20 acres in the N.E.¼ Section 31, Township 31, Range 23, West 4th Meridian, which was patented to your Society in July, 1914, upon the trust and subject to the condition that the same should be used for the purposes of agricultural exhibitions. You intimate that the Provincial Authorities intend taking over this site and enquire whether they have the right to do so.

In reply I may say that any interest which the Dominion had in this land passed to the Province in 1930 by virtue of the provisions of the Alberta Natural Resources Transfer Agreement, and accordingly it would not be in order for this Department to advise you regarding the property. It is suggested that you take the matter up with the Department of Lands and Mines, Edmonton.

In your memorandum of the 10th instant, enclosing a report on the above-mentioned matter, you enclose a report on the same matter from Mr. D.L. McDonald, Secretary-Treasurer of the above-mentioned society. Herewith for approval is a draft reply to the correspondent's letter.

A copy of the letter and special provisions in the grant in question is attached.

There seems no doubt but that the Crown's interest in this land, by reason of the clause in the grant providing for repossession in the event of the property not being used for the purposes specified or being used for any other purposes, passed to the province under the Transfer Agreement.

Respectfully submitted,

Sir:-

Mr. Charles S. McKenzie called to see me to-day in regard to some Half Breed Land Scrip which he had located on the NW ¼ of section 15, Township 30, Range 26, West of the 4th Meridian by The Alberta Colonization Company, of Edmonton, see your letter to him of the 20th ultimo on File 1672256. It appears that Miss Marie Rose Desjarlais the Half Breed, is not yet of the full age of twenty-one years, and The Alberta Colonization Company has written Mr. McKenzie that they are arranging with Messrs Cross & Short, Barristers, of Edmonton, to have a guardian appointed who would be able to give title to Mr. McKenzie which he trusts they will be able to do as he is anxious about his land.

You advised him that he had not forwarded the transfer from Miss Desjarlais to himself, and I am enclosing same herewith.

Calgary, June 10th. 1914.

Sir:

I beg to enclose herewith two letters, one of which is from Mrs. Rosalie Ryerson in regard to the pre-emption entry of her husband Richard D. Ryerson, on the North East of Section 1, Township 32, Range 24, West of the 4th. Meridian, patent for which is being held in abeyance until payment has been made of the principal and interest due on account of the purchase of the land and which with accrued interest has been outstanding since September 2nd. 1908. I might further add that representations have been made at the counter here to the effect that the entrant has left the country and by reason of his financial condition is utterly unable to raise the money and have the necessary payment made.

It has been represented in this connection that the entrant has had several judgments taken out against him in the courts, and that the moment patent for the land is issued the creditors will immediately sieze the quarter-section. Of course it is understood that if at any time Mr. Ryerson make the required payment there will apparently be nothing to prevent the Department withholding his patent. Will you kindly advise me however under the circumstances if there is any way whereby Mr. Ryerson's case may be given some measure of consideration.

Re. the N.E.¼--1--32--24--4th W.
The Pre-emption entry of Mr. H.F. Kyerson.

Mr. Kyerson made application for patent for the above land on the 16th March, 1912. He has completed the duties, but has not made the payment in connection with the pre-emption.

The Agent writes stating that it has been represented to him that Mr. Kyerson has left the country and by reason of his financial circumstances is utterly unable to raise the money and have the necessary payment made. He also states that it has been represented that the district has several judgments taken out against him in the courts, so that the moment patent for the land is issued the creditors will immediately seize the quarter-section. He further states: "Of course it is understood that if at any time Mr. Kyerson makes the required pay ent there will apparently be nothing to prevent the Department withholding his patent."

He asks to be advised however, whether under the circumstances there is any way whereby Mr. Kyerson's case may be given some measure of consideration.

He encloses two letters, one from Mr. Kyerson and one from Mr. Reese W. Tunnel. In this connection which you will be good enough to read.

Sir:

With reference to your letter of the 20th of January last, file No. 1672267, re the application for patent of Mr. Richard B. Ryerson, covering the E. E. quarter of 1-32-24 West of the 4th Meridian, I now beg to say that this gentleman called here the other day and completed payment in connection therewith, in full, amounting to $523.15.

In this connection I beg to say that as the entrant apparently performed almost continuous residence from the 15th of October, 1905 on the homestead, the S. E. quarter of 12-32-24 West of the 4th Meridian up to the 16th of March, 1912, it would not appear to be necessary for him to perform any further residence in connection with the pre-emption, and would ask to be advised whether, under the circumstances, the Homestead Inspector's report called for in your letter referred to, is required.

Sir:-

I beg to acknowledge the receipt of your letter of the 25th ultimo, your file #54930, wherein you wish to be informed whether the report which has been called for in connection with the above land is now required, as the entrant resided on his homestead, the South East quarter of Section 12, Township 32, Range 24, West of the 4th Meridian, from the 15th of October, 1905, to the 16th of March, 1912, and would appear to have completed the necessary residence duties in connection with the North East quarter of Section 1, Township 32, Range 24, West of the 4th Meridian, his pre-emption.

As Mr. J.C. Morgan in his letter of complaint of November last, claimed Mr. Ryerson had not been on the land for at least three or four years, it will be necessary for a Homestead Inspector to visit this land and report, as he has already been requested to do.

Kindly see that this report is obtained and forwarded to the Department as soon as possible.

[illegible] Department

#12717. RME.

28th. June 1916.

W. W. Cory Esq., C.M.G.,
Deputy Minister of the Interior,
OTTAWA. ONT.

Dear Sir,

Re Advance-Rumely Thresher Co. re
Mary A & Wm.I.Hunter & R.B.Ryerson.

On the 10th. February 1916 one, Richard Beaumont Ryerson, of Three Hills, Alberta, became the registered owner of the N.E. ¼ of Section 1 - 32 - 24 West of the 4th. Meridian, pursuant to a patent issued to him by your Department. This quarter section was his pre-emption.

Contrary to Section 31 of The Dominion Lands Act the said Ryerson, before the patent was issued to him, entered into an agreement for the sale of the pre-emption after he secured his patent. The purchasers of the same were Mary Anne Hunter and William I.Hunter.

Between the date of the agreement of sale and the date when the patent was issued to him, one of our clients secured an execution against Ryerson and had the same registered against his pre-emption.

Now, on application before the Court,

W. W. Cory Esq.-

(2).

the purchasers and Ryerson are attempting to have the transfer to the purchasers registered free of our client's execution. This, they cannot do in face of Section 31 of The Dominion Lands Act unless you, as Minister of the Interior otherwise declares, which power we understand you do not exercise especially in the event when fraud has entered into negotiations for sale of the pre-emption. This we are in a position to prove and are writing you herewith asking that your Department give us notice of any application on the part of the purchasers or Ryerson for a declaration that the sale of the land is good.

Upon the receipt of such notice we shall submit to you material that we believe conclusive and protecting the interests of our client.

Yours truly.

Our customary practice in cases of this nature is to require the intentee to have filed here a Statutory Declaration to the effect that he entered into an agreement to dispose of the land in ignorance of the law and without the intention of fraud or injury to the Crown, after which if the evidence submitted is found satisfactory the forfeiture of the land which might have been incurred is waived.

In no case, however, has the Department undertaken to declare an assignment or transfer of this nature valid.

Memorandum:

I beg to return herewith your memorandum of the 20th instant, together with the copy of a letter and declaration bearing date the 11th inst from Messrs. Lougheed, Bennett, McLaws & Company, and to inform you that I am not aware of any precedent having been established for granting the request of Messrs. Lougheed, Bennett, McLaws & Company and that it would be contrary to our established practice to take action as suggested by them especially where, as in this case, an adverse claim has been made.

In this connection I would point out that as set forth in my memorandum of the 14th February last, marked on file No. 1672267 herewith, Mr. Ryerson, the patentee of the N.E.¼ of Section 1, Township 42, Range 24, West of the Fourth Meridian, undoubtedly contravened the provisions of Section 41 of the Dominion Lands Act.

I would specially draw your attention and invite your careful perusal of the letter of the 26th February last on said file No. 1672267 from Messrs. Clarke, Carson, Macleod & Company, and would point out that according to the statements accompanying the same, doubt may be cast upon the good faith of the purchasers of the land from Ryerson. Referring further to your letter of the 11th ultimo enclosing a declaration by Mr. W. I. Hunter, a report has now been submitted by the Department intimating that it would be contrary to the practice to take the action suggested by you, in view of the adverse claim which has been made.

I may say that there is on the official file a communication from Messrs. Clarke, Carson, Macleod & Co. setting forth reasons why the transfer from Ryerson to Hunter should not be declared valid. The Department recommends that further action should not be taken, as it would appear that the case should be settled by the courts, and I understand that proceedings have been instituted for the sale of the said quarter-section under execution.

The case was before me at the time Messrs. Clarke, Carson, Macleod & Co. filed their protest, and I ruled then that in view of the facts it would be inadvisable to declare the transfer valid. The parties were notified accordingly, and I regret that I do not see my way to re-opening the case.

Re N.W.T. of [illegible] ...
Attempted Pre-emption Richard ...
... Ryerson. Reference 176[illegible]267.

Sir,

[illegible] we are called by your letter of the 2nd instant in which you state that a report has been submitted by the Department intimating that it would be contrary to the practice to take the action suggested by us. Might we suggest that in framing this particular section which governs this matter it was the intention of the Legislature that each case should be dealt with on its merits and that no hard and fast rule would be followed by the Department in dealing with these matters.

The diverse claims which have been made by Execution Creditors who could not possibly have realized anything unless the sale had been made to our client and the money used to procure title.

We note that there is on the official file a communication from Messrs. Clarke, Carson, Macleod & Company setting forth reasons why the Transfer from Ryerson to Antler should not be declared valid. We have not had the opportunity of perusing these reasons, but we take it that you understand that Messrs. Clarke, Carson, Macleod & Company were acting for the Execution Creditors and that their reasons would naturally support the application of these Creditors.

We observe that the ground upon which the Department recommends that further action should not be taken is that it appears that the case should be settled by the Courts. What we point out with the greatest respect, that if that is the only reason why the Department makes a recommendation then the recommendation is without any valid ground at all. The Statute takes away from the Court any power to deal with the matter and puts the decision of validity entirely in the hands of the Minister of the Interior.

The application which was before the Court was for an order directing the Registrar of Land Titles to register the Transfer free from all encumbrances. When the matter came before the Court it was pointed out that the sale had taken place prior to the issue of Patent, and as the Minister had not otherwise ordered that the agreement was invalid. If, however, the Minister does declare

(5). THE APPLICATION IS NOT MADE ON THE GROUNDS OF PUBLIC POLICY, BUT SOLELY UPON PERSONAL GROUNDS WHICH LIE NOT.

There are naturally no recorded decisions we which we can refer you in considering an application of this nature, but we do understand that any granted, are given entirely on the grounds of public welfare. That the application of Ryerson and the Hunters is made with personal element predominant, there can be no doubt.

We possibly should add to the foregoing facts that in so far as the creditors of Ryerson are concerned, unless the quarter section referred to above is available to the creditors, they will lose the entire amount of their claim. As it is at the present time, even though the application is not granted and the execution creditors are in a position to sell the land under execution, there will be a large loss sustained by the Advance - Rumely Thresher Co. (Inc:). The loss on the claim will at least amount to $3,000 or $4,000.

We should be pleased to receive a favourable report from you at your earliest convenience.

Yours truly,

CLARKE CARSON MACLEOD & CO
Sgd. per F.M.M.

Ryerson, was committed to gaol and is still there, or has only recently been liberated therefrom. We understand that Ryerson for several years has done nothing in the way of farming, but is, on the other hand, alleged to have lived the life of a gambler. Indeed, we have further been informed that he was abandoned or did abandon his wife and family. At one time he owned a homestead, but owing to his method of living, this property was foreclosed by the mortgagee of the homestead. This is evidence of the fact that Ryerson's present position is not due to unfortunate circumstances, but rather to the disposition of the man. No better evidence of the debtor's character and reputation can be had than that shown by your files. Reference thereto will reveal that in December 1915, when Ryerson made an application for the patent, he made declaration that he had not assigned, transferred or agreed to assign his interest in the pre-emption, which, as a matter of fact, he had done in writing, under date of March 15th, 1915, by the agreement of sale above mentioned. Such a declaration cannot be described other than misrepresentation and concealment of the true facts.

(4). [illegible]

As we have stated above, there are two executions against the above land for more than $6400.00. That there are other claims against Ryerson we have no doubt - indeed, the writer knows personally that there are, in that one other creditor has communicated with us relative to the securing of an execution against Ryerson in order to be able to rank on the proceeds of the sale of the lands and premises in question. The only fact that might be an offset against this is that the Hunters have paid something like $1248.00 on account of the purchase price of the land, if these payments were made - the only evidence of which we might point out, are statements by the applicants.

In reply to such an argument, allow us to repeat that if such payments were made, then the money was paid with full knowledge of the facts and the law, and under such circumstances any loss sustained should be by the person negligent in making the payment. Judging the application entirely on the question of respective interests of creditors of Ryerson, the facts are against the applicants. First - on the question of amounts, and, Secondly - On the ground that if the execution creditors are allowed to sell the land under execution, then Mary Hunter and William I Hunter can obtain an execution against Ryerson for the amount of moneys they have paid and realise a portion of their claim out of the sale of the land under The Creditors' Relief Act of this province. This would be a remedy that the execution creditors would not have in their favour in the event that the application was allowed. A refusal of the application is, therefore, the only equitable method of disposing of the matter in hand.

THE LAND AND, IT BEING RECOMMENDED THAT
THEY KNEW THE LAW, [illegible] ARE SUCH THAT
THAT ACTION WAS TO CONTRARY TO THE
DOMINION LANDS ACT.

The agreement which was entered into by the parties sets forth the fact that the patent for the land had not been issued, despite which, they had their solicitor draw up an agreement for sale, contrary to the provisions of the dominion lands act. Under the agreement they paid certain moneys, which payment should not entitle them to any undue consideration in view of the facts under which the payment was made. Mary Hunter states that approximately $1245.00 had been paid on account of the purchase price of $1900.00 and that some $655.00 and interest still remains outstanding under the agreement. Of the amount already paid, a payment of $445.00 was made on the 15th April, 1915, at which time, two executions were outstanding against the debtor.

We submit in view of these facts that the payment of April 1915 is an evidence of bad faith on the part of both parties, that is, in so far as Ryerson's creditors are concerned, since none of the money was applied on account of the executions which were at that time binding the property and which, by agreement, were to be taken care of out of the purchase price of the lands and premises. Copies of the terms of the agreement, which are essential to this application, are enclosed herewith.

(2). THE [illegible] BE PRICE WHETHER IN THE
[illegible] IS THE [illegible].

Information which we have on hand relative to the value of the land is to the effect that $1900.00 is not sufficient. One, L.P. Benedict, who has inspected the land personally, informs us that the quarter section is about two miles from Three Hills. The soil is excellent and he considers that the lowest value for the quarter section is $2500.00. This being true, the inadequacy of the price and the character of the debtor, Ryerson, does not lead us to believe that the sale, which is alleged to have been made, was really entered into bona fides without the intent, at least on the part of Ryerson, of defeating his creditors.

(3). THE [illegible] ACTION OF THE
DEBTOR IS [illegible] WHICH DOES NOT IN ITS

Our information is to the effect that the debtor.

Dear Sir,

Re Advance-Rumely vs Ryerson.

Your favour of the 19th inst. has been received requesting us to make whatever representations we desire in the above matter.

Before presenting any reasons why in our opinion, the application of Mary Hunter and William I Hunter, should not be granted, permit us to set forth certain particulars which are admitted by the counsel for all parties interested and which are part of the material to be considered in this application.

March 18th, 1915 - Mary Anne Hunter and William I. Hunter entered into an agreement to purchase the N.W.¼ of Section 1 - 12 - 24 West of the 4th Meridian, from Richard B. Ryerson, being his pre-emption.

October 28th, 1915 - Finley P. Mount, Receiver of M. Rumely Company (Inc:) obtained execution against R.B. Ryerson for $3,179.65 and costs and registered the same against the said property.

November 5th, 1915 - P. Burns & Co. Ltd., obtained execution against R.B. Ryerson for $120.75 and costs and registered the same against the above property.

February 10th, 1916 - The patent for the said property was issued by Ottawa to Richard B. Ryerson.

March 20th, 1916 - Patent was lodged in the Land Titles Office at Calgary and Duplic te Certific te of Title issued to the said R.B. Ryerson.

It should also be added to the foregoing facts that the purchasers of the said land in conjunction with the debtor, Ryerson, made an application before the Honourable Mr. Justice McCarthy, at Calgary, asking that the execution of the said Finley P. Mount, Receiver of M. Rumely Company (Inc:) be withdrawn. This application was dismissed with costs by the court as being in contravention of Section 31 of the Dominion Lands Act. Subsequent to the rendering of the said judgment, the Advance-Rumely Thresher Company (Inc:) which is the succe sor in interest of Finley P. Mount, Receiver of M. Rumely Co. (inc:), has instituted proceedings for the sale of the said property under execution which proceedings, we might state, are now under way. We submit herewith the following reasons as sufficient grounds upon which to base a refusal of the application made to your department.

(1). THE PURCHASE UNDER THE AGREEMENT OF SALE WAS IN CONTRAVENTION OF THE STATUS OF

Ottawa, 30th June, 1921

Sir,

Re S.E., 17-29-18, W.4th M.

I beg to acknowledge the receipt of your declaration of abandonment in connection with the above mentioned Quarter Section, which you hold as a preemption entry; also your declaration on Form 325 filed in support of your application to re-enter for this land as a Soldier Grant.

In reply I am to inform you that action is not being taken on your abandonment at present as it may be possible that you are not eligible to enter for land as a Soldier Grant.

For your information I am enclosing a copy of the Soldier Settlement Act, 1919, and I am to draw your attention to Section 15 of the Act. After reading this Section of the Act you will be able to judge whether or not you are in a position to apply for a Soldier Grant entry. It would appear that you have obtained a loan from the Soldier Settlement Board, and it is noted that the necessary amendment to Clause (b) on Form 325 has been made.

Enclos.

If you are eligible for a Soldier Grant, you should appear at the office of the Agent of Dominion Lands at Calgary, or the Sub-Agent for the District, and present your Attestation Certificate from the Soldier Settlement Board. If the Agent is satisfied that you are entitled to a Soldier Grant entry, he will cancel your preemption entry and allow you to make Soldier Grant entry for the land in the usual way.

If you are not eligible for a Soldier Grant, you should communicate with this office within thirty days, and apply to have your abandonment withdrawn so that you may retain this entry as your preemption.

Your obedient servant,

Edward R. Morley, Esq.,
Verdant Valley,
Saskatchewan.

Assistant Secretary.

Re: Account of Frederick Martin
N.E. 21-14-18-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having carried an investigation I am now in a position to report as follows:

In July relief amounting to $ [illegible].00 was advanced to Frederick Martin on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 75.00	$ 140.30	$ 215.30

The N.E. 21-14-18-4 was formerly the homestead entry of the debtor whose entry was cancelled on the 3rd of May 1919. The land was later re-entered upon by a Mr. Warren L. Johnson who was not required to assume the indebtedness of the former entry when patent issued in his name on the 15th of September 1921, clear of any encumbrance.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

C. C. Gilchrist.

Sir

I beg most respectfully to ask you, if my son Henry Thomas Haycock could not cancel the North East quarter Sec 25 Tp 18 Rge 4 W 4th

on the following circumstance.

His quarter was an Homestead of the Red Deer Valley Farmers Land Co. He skipped the country & so the Bank has obtained said Land Co. He skipped the country & so the Bank has obtained a should be given the entire title of the land. So he has retired a great number of settlers around this neighbourhood. My son Henry included. A land agent from the Bank Medicine Hat called upon Thus said quarter but he has no building or any description as has he any Land Patent grant.

I hear my son H T Haycock went to the Land Office & is thought to Cancel the same last January. I was told I was troubled with epilepsy my son agrees with the fact & was told it was protected until 3 years. Now I thought there must be some mistake in the protection. This man is a scapegoat. I am sorry for our country away from justice. So I should be glad if you would give reply

IN YOUR REPLY PLEASE REFER TO NO. 833084 Imm.

KINDLY QUOTE NUMBER AND DATE OF THIS LETTER

Ottawa, 30th July, 1917.

To Mr. H. H. Hume.

I am in receipt of your memorandum of the 24th instant, file No. 167:354, and I observe that the U.S.A. of Mr. H. H. Hume, 4th Ter., was intented to F. T. Burns on the 15th March, 1915, but that the patent has been recalled on account of his seed grain advance.

In view of the statements set out in my memorandum of the 22nd instant, would it not be well to hold this patent until we have an opportunity of receiving Burns by some process of law and compel him to either relinquish his claim to the homestead land or straighten out matters with Emanuel Pomeroin and family, who have been so shamefully swindled. I am hoping some further information would be made known by Mr. J. Bruce Walker.

Is there not some provision in the Dominion Lands Act which deals with an attempt to sell or otherwise dispose of a homestead before a patent is issued.

Patented, D. . Burns.

Referring to your memorandum of the 30th ultimo, file 899084 Immigration, I may say that there is a provision in the Dominion Lands Act making it illegal to [redacted] or otherwise dispose of a homestead before the patent is issued. In this case the patent was issued on the 15th March last and we do not know whether the sale complained of was made after that date. If so, it would not be illegal.

I am referring the file of papers to the Controller of Patents in whose charge the returned patent is, asking him to take into consideration your request to have the patent held.

DEAR SIR:-

You asked for my opinion on Mr. Martin's letter of the 11th of May last.

The point raised by Mr. Martin is that an applicant for inspection of a pre-emption who can satisfy the Department that the appurtenant homestead has been disposed of, whereby automatic cancellation of the pre-emption takes place, should be entitled to the right of re-entry.

I think that Mr. Martin's suggestion is deserving of some consideration for the reason that this may be the only way in which the Department may discover that the Act has been violated; but, at the same time, it must be borne in mind that to do so would open a door to scheming on the part of the homesteader himself, who might thereby offer the pre-emption as an inducement to the purchaser of the homestead. All that the latter would have to do would be to vouch that the sale has been made, and he would there upon be granted an entry for the pre-emption 1/4 section. For this reason I think our practice is the best, namely, that the land should be posted for 10 days.

Respectfully submitted,

Such purchaser would simply have to appear before the Agent, prove the sale of the homestead, and thereupon secure the pre-emption. This would mean trafficking in Dominion Lands, and for this reason the Commissioner has decided that it would be better to adhere to our practice of refusing a pre-emption cancelled for the foregoing.

DEPARTMENT OF THE INTERIOR
CANADA

OTTAWA 22rd March, 1911.

Memorandum.

S.E. of 21-10-13, W. 4th M.
Purchased homestead, William C.Llewelyn.
Entry, 6th June, 1910.

I beg to return your reference 2041 covering a communication from Mr. Joe Domeniche who appears to have made some sort of illegal agreement with the holder of the above entry. Mr. Domeniche states he has been living on the land for three years and has made certain improvements at his own expense. The file does not give any information as to the recent duties performed by the entrant. Apparently he has received considerable in the way of seed grain advances and relief.

In December last cancellation proceedings were taken against this entry for failure to apply for patent. The entrant wrote from Utah, U.S.A., stating that he left Canada on account of his wife's health but "left the farm in good hands". Mr. Llewelyn says he is unable to make the necessary payments on his purchased homestead because of repeated crop failures. He is desirous of holding the land and offers to pay the amount of the purchase money out of the next crop. He was asked to file a statutory declaration showing what duties he has performed.

We now have the communication of Mr. Domeniche who claims that he ought to have some consideration because of the length of time he has spent on this land. He wants to get the land by making the payments.

Before anything is done, I think the Department should be placed in possession of all the facts regarding the agreement between the entrant and Domeniche. If any written agreement was made it should be filed here. Any such agreement in the nature of a transfer would be illegal and would render the entry liable to forfeiture. The parties should be called upon for a full explanation, and it might be advisable to have a Homestead Inspector's report showing what duties have been done by the entrant and also what has been done in the way of residence and improvements by Domeniche.

Respectfully submitted,

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
Ottawa.

Sir,

I take the pen in hand to write you a few lines to find out what is the matter that you can't get my letters for we have wrote 4 or 5 letters and we haven't received answer from you and I understand that I am going to lose my land and I am sorry that I can't keep it for another year so you can get what is come to you, but if you can't get what is come to you, I want you to keep the horses and the machinery and every thing that is on the place until I come up there. Well, Joe, I am sorry to say that I can't get any money to send you because the mines are all idle and it is hard to live on 2 days work. Well, Joe, I don't know whether anybody has cancelled my place or not and if not you see if you can get it and if you can take it on your name and if you can get it let me know. You can tell the land agent what you have done on the land and you want to crop it this spring. Well this is all the news for this time so good-bye from your friends, hoping to hear from you soon.

Yours truly,

OTTAWA 15th March, 1917.

Sir,

Re S. E.-21-10-13-W.4th M.

I am to acknowledge your letter of the 8th instant addressed to the Minister, calling attention to the case of Joe Dominiche, who has been in residence on the quarter-section above mentioned apparently for some years, and requesting consideration on his behalf in the matter of an entry.

I may say in reply that with regard to undisposed of Dominion lands south of Township 16 in the provinces of Saskatchewan and Alberta, it is contrary to the policy of the Department to allow entry under the homestead regulations. In any event, as an unauthorized squatter, Mr. Dominiche has no particular claim to consideration. There appears to have been some arrangement between him and Mr. William E. Llewelyn, who formerly held entry for the land as a purchased homestead, whereby he was allowed to go into residence and farm the land. However, since the entry of Mr. Llewelyn has been cancelled, the position of Mr. Dominiche is that of a trespasser on Dominion lands.

The quarter-section is available for grazing under the regulations and Mr. Dominiche is at liberty to make application for a lease for this purpose through the Agent of Dominion Lands at Lethbridge; otherwise he will require to vacate not later than the 15th April next, and is being advised accordingly by means of a copy of this letter.

The Agent of Dominion Lands at Lethbridge will on application supply the necessary forms.

Madam:

Re: S.W. 21-10-13-W.4th Mer.

I beg to acknowledge receipt of your letter of the 5th instant by which you made application and offered $6.00 as purchase price for the remains of a dwelling situated on the land above described.

I might state for your information it is not the practice of the Department to dispose of improvements from Dominion lands except to an entrant or a party securing the land by grazing lease. In this particular case it would appear that the building is rapidly disappearing, and I would suggest that you forward an application to this office to purchase the building referred to accompanying your application with the payment of $5.00. This application I will submit to the Department and if it is not favourable to the Department the payment tendered will be refunded to you.

Memorandum

Mr. Perrin

S.W.¼ 21-10-13-W. 4th M.

The surface rights covering the above described quarter-section are clear although a mineral sale in favour of H.T.Cherry was patented in 1911.

On the 5th August last, Mrs. Gladys E. Palmer asked if the Department would sell what remained of the building situated on this quarter-section. She stated that the building has been gradually taken away and the wind had blown the structure down. She was writing on behalf of her son who would like to have the remainder of the boards to make a chicken coop.

On the 8th August last, the Agent informed her it was not the practice of the Department to dispose of improvements on Dominion Lands except to an entrant and he suggested that she forward an application to him which should be accompanied by the sum of $5.00.

Under date of the 9th August last, Mrs. Palmer forwarded the $5.00 here in support of her request. She stated that very little of the building was left as some person had been taking it at nights.

This quarter-section was formerly the purchased homestead of W.C.Llewelyn, his entry for which was cancelled and the land was posted on the 3rd September, 1921. Mr. Llewelyn appears to be indebted for seed grain to the amount of $174.09, with interest to the 31st March last.

If the Department called for an Inspector's report it would appear that before same had been received the material would have all disappeared, and if as stated by Mrs. Palmer there are only a few boards on the land, I would recommend that the Department accept the $5.00 for same.

On January 25, 1917 he made a repayment of $350.00. He had obtained these advances on the security of liens on his unpatented preemption the S.W. 21- 10- 13- W.4th. Later his preemption entry was changed to purchased homestead entry as the adjoining homestead had been sold. His purchased homestead entry was cancelled on September 2nd 1921. The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens charged against the S.W.¼. 21-10-13-W. 4th Mer., for advances made to William C. Llewelyn, be discharged.

The Board submits the report of the Director, Debt Adjustment Board, dated April 29th, 1930, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That at the time the advances were made the debtor held purchased homestead entry to the said land, and that such entry was cancelled in the year 1921.

2. That prior to cancellation, the debtor made substantial payments on account of said liens, and that the buildings thereon were sold, and the proceeds applied on account of these liens.

3. That in the year 1929, Seth F. Dunwoody, secured homestead entry for the said land and agreed to assume the liability charged against same, subject to adjustment.

4. That the Homestead Inspector has reported that there are no improvements upon the said land, and while he has valued same at $6.00 per acre, when consideration is given to the location of the land, in an extremely dry District, and to the fact that land in this neighborhood has been sold by the Municipal District for a much smaller price, and the assessed valuation thereof is considerably lower than the price placed thereon by the Homestead Inspector, the Board is of the opinion that the valuation is excessive.

Dear Sir,-

Your letter of the 7th inst your file No 888841 1672529. received, I beg to say in reply that the reason I filed a declaration of abandonment is that, I desired to place an Indian Scrip on the said quarter, and I was advised by your Agent at Lethbridge that I had to abandon first . before I could get permission from your department, I therefor acted as per this advise. Would you kindly mail me permission to place the above mentioned scrip on my Pre-emption being the North East Quarter of section 16 Township 10 Range 15 West of the 4th Meridian, I have already written in this connection, but my letter likely went astray, please write and mail permission as soon as you can, as I may not be able to retain the above mentioned scrip much longer., thanking you in anticipation of a favorable reply, I beg to be.

Sir,

I beg to refer you to your letter of the 4th instant, asking for certain explanations in respect of the statements made in my letter to you of the 4th of this month, dealing with the right of way of your company across the North West quarter of Section 33, Township 10, Range 13 West of the 4th Meridian, the surface rights of which have been homesteaded by Mr. Joseph Nolton.

The word "then", which occurs in the last line on page one of that communication, is a reference to the time when Mr. Nolton becomes entitled to patent for his homestead.

The transfer which Mr. Nolton will be asked to file is a deed, or a quit-claim deed, duly executed, with an affidavit of execution in the usual way, and such transfer will be registered in the records of this Department here.

Sir, [illegible] Mining Recorder, Lethbridge.

I beg to acknowledge the receipt of your letter of the 5th instant, having reference to an agreement between your company and Mr. Joseph Holton, whereby the latter acquired .25 of an acre of the surface rights of Mr. Holton's homestead, the North West quarter of Section 35, Township 10, Range 13, West of the 4th Meridian, for pipe line purposes. You point out that your company are exceedingly anxious to acquire title for the right-of-way of their pipe line; that if they have to wait until the homesteaders earn title to their lands, it may be sometime before you can consider the right-of-way as closed; and that you inquire whether it would be possible to permit your company to acquire a quit-claim deed from the homesteader now, and upon production thereof, to have the patent issued in favour of your company.

In reply I beg to inform you that the subject of your communication will now receive careful consideration, and you will be informed at the earliest possible date whether it would be possible to take any action which would enable your company to acquire title to the surface rights of the right-of-way of your pipe line before the homesteaders have earned title to the lands crossed by your right-of-way.

Will you please see Mr. Rowatt's memorandum of the 7th April, 1913 beneath, marked, and Mr. Spence's memorandum of the 29th February last, marked.

The flat for the homestead grant has been prepared, do you see any reason why it should not be issued containing a reservation for the Right of Way of the Natural Gas, Light, Heat and Power Company, Limited. The latter company has not yet paid the amount due on this right of way but it appears to me that this need not interfere with the issue of the patent for the homestead.

If the sale to the Company is never completed, a supplementary patent might be issued to Mr. Holton, the homesteader, and if the payment is made by the Company, the necessary refund of that amount to the homesteader could be made when the payment has been received here.

The above man's account with interest as at the 31st March last amounts to $371.84. Inspector Harcombe reported in November 1924 that Mr. Holton's address was Vauxhall. I wrote to him at that address on two occasions requesting payment but he failed to reply to my letters, although no doubt received same as they were not returned by the postal authorities. It is desired that you endeavour to locate the debtor with a view to collection. If he is still residing at Vauxhall you should furnish a description of the land which he is farming and a statement as to his interest in same.

Mr. [illegible] Cutter,

Dear Sir:

Re: Lot 13, Block 3, Plan [illegible] - Corner.
Joseph Colton. Deceased Town.

In the year 1918 this party obtained advances for seed and relief from the Provincial Government in a total sum of one hundred and ninety-five dollars ($195.00) against which no repayment has been made and the amount now outstanding is four hundred and seventy-two dollars and five cents ($472.05).

As security for these advances liens were filed on title to the [illegible] 33-10-13-4 and still remain registered thereon although title now rests in the name of the Municipal District of [illegible] No. 61.

It would appear that at one time Joseph Colton was also owner of Lot 13, Block 3, Plan [illegible] - Corner and had registered in accordance with the provisions of the Act under which the advances were made placed the liens against the said Lot. Title to this Lot however stands in the name of John [illegible], and William [illegible] as administrators of the Estate of [illegible], deceased.

Messrs. [illegible] Peterson, Barristers of Lethbridge have applied for a release of these liens in so far as they affect Lot 13, which is situated in the Village of [illegible], in order that it may be possible to settle the estate of the late [illegible].

(continued)...

(continued)

It would appear that Frank Lacua had no knowledge whatsoever of these liens being charged against this Village property, and in any event the lot is of such insignificant value that it really represents no security for this account, the sale price being given as ten dollars ($10.00). The lot is unimproved.

I would recommend that these [illegible] liens be removed from title to Lot 12, Block [illegible], Iona Acres - Amber, and retained against the [illegible] pending payment or further application for adjustment.

Yours very truly,

Re: Account of Joseph Holton
N.W. 33-10-13-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1913 and 1915 seed grain, fodder and relief amounting to $238.20 were advanced to Joseph Holton on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 238.20	$ 455.18	$ 693.38

Patent was issued in the name of Joseph Holton for the N.W. 33-10-13-W4 on the 9th of June 1916, subject to the 1913 and 1915 liens.

In 1927 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipality of Eureka No. 14.

The Municipality has been unable to dispose of the land by sale and it is presently included in a grazing lease issued in the name of Mr. M.H. Torrie. There is also an accumulation of $1,966.29 arrears of taxes outstanding against this quarter section. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.

W.S. 33-1 -13-W.4th.
Lot 15, Block 3, Plan 4368 K. [illegible] Turner
Supplementary to Award Order 4358

The above party obtained the following federal advances having as security liens on the above land.

Seed Grain 1913	$43.20
Relief & Feeder 1915	195.00
	238.20
Interest to March 31st, 1933	455.18

The above order dealt with the registration of the relative liens against title to Lot 15, Block 3, Plan [illegible] Turner and provided for the discharge of same from title to this quarter. [illegible] for although the value, in view of the insignificant value of this lot, amounts to [illegible] amount has been required.

Title to the W.S. 33-1 -13-W.4th was taken by the Provincial Treasurer of Alberta in the year 192[illegible] through proceedings under the tax recovery act.

This land was sold to [illegible] by two Municipal Districts in the St. Mary and Milk River development for the nominal sum of three hundred and thirty dollars ($330.00). The colonization manager for the St. Mary and Milk River development advises that in addition to [illegible] expended for the purpose of bringing the system of irrigation works in respect of this land will be [illegible] ninety-seven dollars ($1,497.75). The sale price of this parcel, [illegible] per cent, has been established at four thousand seven hundred and [illegible]-five dollars ($4,795.00), resulting in a loss in these negotiations of four thousand and forty dollars ($4,040.00).

The development of the project referred to herein is a joint Provincial-Dominion [illegible] any demand for monies in settlement of this debt would only add to the cost of the project from public funds. It is therefore my recommendation that the liens registered to this debt which presently encumber title to the W.S. 33-1 -13-W.4th be discharged.

Lot 15, Block 8, Plan 4168 N. Warner
Supplementary to Board Order 8358

The above party obtained the following federal advances giving as security liens on the above land.

Seed Grain 1913	$43.20
Relief & Fodder 1915	195.00
	238.20
	455.18

The above order dealt with the registration of the relative liens and not title to Lot 15, Block 8, Plan 4168 N. Warner and provided for the discharge of same from title to this quarter. Application for discharge was, in view of the insignificant value of this lot, undertaken without any payment being required.

Title to the N.W. 33-1 -13- .4th was taken by the Municipal District of Warner in the year 192 through proceedings under the Tax Recovery Act.

This land was sold this year by the Municipal District to the St. Mary and Milk Rivers Development for the nominal sum of three hundred and thirty dollars ($330.00). The Colonization Manager for the St. Mary and Milk Rivers Development advises that in addition to monies expended for the purchase of this parcel the costs of irrigation works in respect of this land will be [illegible] four hundred and seventy-five dollars ([illegible],475.00). The sale price of this parcel, including other Miscellaneous has been established at four thousand seven hundred and five dollars ($4,705.00), resulting in a loss in these negotiations of four thousand one fifty dollars ($4,[illegible]50.00).

As the development of the project referred to herein is a joint Provincial-Dominion undertaking any demand for monies in settlement of this debt would only add to the cost of the project from public funds. It is therefore my recommendation that the liens relating to this debt which presently encumber title to the N.W. 33-1 -13-W.4th be discharged.

Re D. L. 9-8-25-W. 4th Mer. - W.H. Jeffery
Seed Grain Lien.

Dear Sir:-

We wrote you on September 8th, 1916 re this matter and have never received any answer.

Would you be kind enough to have this very carefully investigated. We cannot understand how this lien is on this land. Mr. Jeffery was not in the country, and was not at that time registered owner. Mr. Brewster who was occupying it as tenant never received any seed grain from the Government & all and no Government Seed Grain was put in on this land, nor relief obtained. Mr. Bullock the registered owner in Vancouver knows absolutely nothing about it, and in the meantime this office is retaining $100 re the same and gets hail-Columbia from every-body interested for not getting the title straight. You will therefore see that a speedy investigation would be much appreciated by this office.

Yours truly

Your file 167[illegible] - W.B. 9-8-15-W. 4th

Dear Sir:-

Copy of your letter to the Registrar re this matter at hand this morning. Will your Department explain how a lien given on the east half of the south east quarter of section 15-8-11-W. 4th Mer. was registered against the S. W. quarter of section 9-8-15-W. 4th Mer.

Yours truly

A.J. Fream, Esq.,

to place the liens.

Telford has defaulted in his payments on the sale agreement and has lost his equity in the land; he is now farming rented land in the vicinity of Macleod.

Mr. Brewster has approached the Council of the Municipal District at various times with a view to having the liens discharged, and on his last approach he offered the sum of $200.00 as settlement in full for the discharge of the liens without recourse to litigation; this offer was refused.

In conversation with Mr. Brewster in regard to the liens, I agreed to recommend the acceptance of the sum of $400.00 from him, as settlement in full for the discharge of the liens, subject to the approval of the Municipal Council. The Council have approved this settlement.

This land is encumbered with a mortgage registered prior to the liens, the foreclosure of which would entirely cancel the lien security, and in my opinion the payment by Brewster of $400.00 on a debt for which he was not responsible, and from which he received no benefit, is all that could be expected.

I would recommend, therefore, that the $400.00 offered by Mr. Brewster, cheque for which is attached, be accepted as settlement for the discharge of the liens, and that the balance of the Telford account then remaining unpaid be held as a charge against Telford, subject to collection under his personal covenant. It is further recommended that the $400.00 shall be applied on a pro-rata basis as to Seed Grain and Relief; that is to say -

Seed Grain.....	$350.60
Relief	49.40
	$ 400.00

Mr. Brewster has also an outstanding Seed Grain account with this Municipality, under his own name, with which he feels unable to deal at present.

Yours truly,

JMH/L.

E.J. Fream, Esq.,
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: Walter Telford and Alex. Brewster,
SE¼. 9- 8- 25- W.4th Meridian.
Municipal District of Bright #69.
Seed Grain and Relief,

The Municipal District of Bright #69 issued to Walter Telford of Macleod, Alberta, the following advances:-

Seed Grain:
March 27th, 1919.....
March 25th, 1920.....$340.25
Relief:
April 25th, 1922..... 290.20
85.95

A repayment was made on account of Seed Grain on December 31st, 1920, to the amount of $114.42, and the unpaid balance of the account appears, as at December 31st, 1928, as:-

Seed Grain:
Principal.....$573.75
Interest 321.35
$895.10

Relief:
Principal.....$ 85.95
Interest 40.22
$126.17

As security for the advances the Municipal District accepted liens signed by Telford, which were registered against the SE¼. 9- 8- 25- W.4; the Municipal District also hold Telford's promissory demand note for the amount of each issue.

At the time of these issues Telford held this land under a sale agreement from Alex. Brewster of Macleod, Alberta, who was, and still is, the titled owner. Brewster did not give Telford permission

7. That Alex. Brewster is also indebted for advances made to him personally, and it is not proposed to deal with such advances at the present time, the purpose of this recommendation being to secure the discharge of the liens registered against the S.E. ¼, 9-8-25-W. 4th Mer., only.

The Board therefore recommends that the sum of $400.00 be accepted in full settlement of all liens registered against the S.E. ¼, 9-8-25-W. 4th Mer., for advances made to Walter Telford, that the amount so paid be apportioned:-

To Seed Grain	$350.60
To Relief	49.40
Total	$400.00

and that upon payment of one-half the amount apportioned to Joint Relief, all liens registered against the said land be discharged, from the land only.

The Board further recommends that any balances remaining unpaid be retained as a charge against the debtor Walter Telford and an effort made to collect from him, under his personal covenant.

Chairman, Seed Grain & Relief Adjustment Board.

Member, Seed Grain & Relief Adjustment Board.

The Honorable C. Stewart,
Minister of the Interior,
Ottawa,
Ontario.

B. O. No. 1128

EDMONTON,

July 23rd, 1929.

Re S.E.¼, 9-8-25-W. 4th Mer.,
Walter Telford and Alex Brewster.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that all liens, Municipal Seed Grain and Joint Relief registered against the S. E. ¼, 9-8-25-W. 4th Mer., for advances made to Walter Telford be settled for the sum of $400.00.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated May 9th, 1929, and states in support of recommendation:-

1. That at the time the advances were made to Walter Telford, he was the Provisional owner of the S.E.¼, 9-8-25-W. 4th Mer., under Agreement for Sale from the registered owner Alex Brewster.

2. That the debtor did not secure the authority of the registered owner to charge the said liens against the land.

3. That the debtor defaulted upon his Agreement and it was necessary for the registered owner to re-take possession of the land.

4. That the registered owner is desirous of securing an adjustment of the liability and having in view the fact that he secured no benefit from the advances and has been put to considerable expense to secure possession of the property, it is desirable that the compromised settlement be made with him.

5. That having in view all the conditions prevailing, the proposed settlement of $400.00 is fair and reasonable, to secure a discharge of the liens from the land only.

6. That the debtor Walter Telford is still residing in the Macleod District and is carrying on farming operations, and that it is desirable that any balances remaining unpaid be retained as a charge against the debtor, under his personal covenant and an effort made to collect from him.

Sir,- N.E.¼ of 9-6-2 W. 5th M.

I beg to acknowledge the receipt of your letter of the 12th instant, calling attention to the fact that the patent for the land above described, in favour of Thomas Ord, contains a reservation to His Majesty of all mines and minerals, while the minerals were previously granted to the Western Oil & Coal Consolidated underlying L.S. 10 of the above quarter section and which now stands in the registered name of American Collieries Limited and requesting to be advised whether it is desired that the patent be returned for correction, and to state in reply that the form of patent in this case, reserving to His Majesty all mines and minerals is the form of patent used in the past in all similar cases, whether or not the mines and minerals had been previously disposed of and it is not considered that the fact, that in some of these cases, the mines and minerals may have been previously disposed of and patented, affects either the grant of the surface or of the mines and minerals.

It does not, therefore, appear necessary that the patent should be returned to this Department for correction.

Gentlemen:-

Referring to your letter of the 5th instant, I beg to confirm the reply sent you this date, as follows:-

"Agent being instructed provided he knows no objection "notify Frank S. Clark, allowing sixty days to locate scrip "north-west one, ten, twelve, west fourth."

It appears that my communication to you of the 22nd December was scarcely correct. The letter of the 6th December to Mr. Clark merely informed him what the regulations provided, and enclosed a blank form of abandonment.

The Local Agent at Lethbridge is now being instructed by copy of this letter, provided he knows of no reason to the contrary, to cancel the pre-emption entry of Mr. Clark for the land above mentioned and allow him sixty days from the date of his notification within which to locate half breed scrip, exhausting his pre-emption right.

Failure to locate scrip within the time allowed will open the land again to entry, after being posted for ten days. This is the best that can be done to meet your views, and it is thought the time allowed should be sufficient.

OVER

DEFINITION OF "SETTLER" UNDER THE SOLDIER SETTLEMENT ACT, 1919

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force, — "Settler" defined.

(1) of Canada —and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service, in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies —and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony —and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

PRIOR RIGHT OF ENTRY.

Squatter and Adjoining Settler.

A person who has bona fide settled and made improvements on agricultural land before the survey thereof and was in occupation of and ordinarily resident on the land at the time of survey shall, if eligible to make entry for a soldier grant under these regulations, have a prior right to obtain entry for the land so settled on. Provided that this right is exercised within six months after notice in writing that the land is open for entry has been given by the agent to such settler, or has been posted in a conspicuous place on the land; and that entry shall not be allowed for more than a quarter-section as a soldier grant.

The occupation of land after the survey thereof, without entry as provided by these regulations, gives the occupant no right thereto, and the occupant may be evicted as a trespasser, and his improvements forfeited to the Crown.

On the day on which any land is to be made available for entry after being advertised or posted the privilege of entry thereon shall be restricted to a settler eligible to make entry who holds an adjoining quarter-section under homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter-section. Adjoining quarter-section means one lying alongside or separated by road allowance only.

Conflicting Claims.

In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey. Priority.

To ensure due consideration being given to the rights of all persons claiming priority, the agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, for until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a sub-agent of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead, has a better claim than any of the other applicants appearing in person, the agent shall hold the land until such application made before the Sub-Agent has been received: Application through Sub-Agent.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time.

Any land which, after having been posted, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re: Account of Henry Eiben Johnson
N.W. 27-35-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain amounting to $162.00 was advanced to Henry Eiben Johnson on the security of the above mentioned land. Payments of $89.05, $31.20, $43.80 and $60.00 were received in 1916, 1926, 1926 and 1928, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 18.27	$ 21.70	$ 39.97

The N.W. 27-35-10-W4 was formerly the homestead of the debtor on which security he obtained an advance of seed grain in 1915 and there is no record of the lien having ever been registered.

According to Abstract of Title the land now stands in the name of the Municipal District of Paintearth No. 53 clear of any encumbrance.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.

C.W. Gilchrist.

I have your letter of the 3rd instant, requesting to be advised of the present standing of the above land, and if it is likely to be used again for farming purposes.

This quarter section is presently held under Grazing Permit by Mr. W. P. Peterman, of Throne, Alberta. The quarter contains 161 acres, and has been used for grazing purposes for the past several years. Seventeen acres of the quarter has been under cultivation, but this has now gone back to grass.

The land is located in a dry area, but consideration has been given to the sale of this land by public auction.

Re: Account of Wm. Peterman
S.E. 27-35-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain amounting to $377.00 was advanced to Mr. Peterman on the security of the above mentioned land. A payment of $150.00 was received in 1925 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 377.00	$ 548.23	$ 926.13

The S.E. 27-35-10-W4 was formerly the homestead entry of the debtor on which security he obtained the 1915 advance of seed grain. His entry was later cancelled and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionaire of the 3rd of October 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"This quarter section is presently held under Grazing permit by Mr. W.F. Peterman, of Throne, Alberta. The quarter contains 161 acres, and has been used for grazing purposes for the past several years. Seventeen acres of the quarter has been under cultivation, but this has now gone back to grass."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.
